## 12th SUNDAY IN ORDINARY TIME 22nd June/23rd June 2024

Dear parishioners,

Today's Gospel offers evidence of Jesus' power and authority as he calms the storm. In his day, power over nature was believed to be a sign of divinity—only God calms storms. Jesus' rebuke of the storm also echoes the rebuke he uses when he talks to and expels demons. In each situation, Jesus' power and authority is a sign of his divinity. Indeed, the disciples are left wondering about Jesus' identity at the conclusion of today's Gospel. They see before them a human being who acts with the authority and power of God. The disciples' uncertainty about Jesus' identity is a recurring theme in Mark's Gospel.

This Gospel is a metaphor for our lives. We are in the boat, the storms of life are raging around us, and like the disciples, we may believe that Jesus is unconcerned, or “sleeping.” We hope that we will be as familiar with Jesus as his disciples. If we feel that Jesus is sleeping, are we comfortable enough to wake Jesus and present him with our needs? Jesus does not chide his disciples for waking him. Instead, he chides them for their lack of faith, for their lack of perspective. When we bring our worries to God in prayer, we might just begin to learn to see things from God's perspective.
